Discipleship "is an intentional decision to accept the grace that God offers in Christ, and a life-long journey in the Jesus direction." (Pastor Jeff Hosmer).

Your discipleship team has been meeting and praying about the upcoming Fall/Winter classes/workshops/ small groups offerings to provide more opportunities for you to build your relationship with God. The more we know of God's love and understand God's ways, the greater peace we can carry in our hearts to love ourselves and others.

If you are interested in knowing more about certain Biblical topics, please let us know by filling out a communication card or drop by the Sign-Up desk located in the lobby.

Today's Sermon Notes

Jesus Has Given Him Perfect Health
Pastor Jeff Hosmer

Acts 3:11-16

While he clung to Peter and John, all the people ran together to them in the portico called Solomon's Portico, utterly astonished. When Peter saw it, he addressed the people, "You Israelites, why do you wonder at this, or why do you stare at us, as though by our own power or piety we had made him walk? The God of Abraham, the God of Isaac, and the God of Jacob, the God of our ancestors has glorified his servant Jesus, whom you handed over and rejected in the presence of Pilate, though he had decided to release him. But you rejected the Holy and Righteous One and asked to have a murderer given to you, and you killed the Author of life, whom God raised from the dead. To this we are witnesses. And by faith in his name, his name itself has made this man strong, whom you see and know; and the faith that is through Jesus has given him this perfect health in the presence of all of you."
